AUCTION

"We have truly been blessed to be given this gift of accommodation at Hope House. What a huge ease to our stress and calm to our heart and bodies to have a home away from home without worries and our focus remains on God and healing. No worries otherwise than getting better. May God's blessings remain here in this house and across the street."

- Becky

Who We Are:

Gifts of Hope is a 501C3 nonprofit organization located in Midland that is dedicated to providing financial and emotional support to our clients in an effort to reduce any additional and unnecessary stress beyond battling cancer.

What We Do:

We offer services such as free lodging at the Hope House located across from Midland Memorial Hospital, free lunch served everyday at Allison Cancer Center, assistance with dental and medical expenses, transportation, prescription assistance, and various support groups. Since 2010, the Hope House has provided over 10,000 nights of lodging to cancer patients at no cost and has served over 54,000 patients in the Permian Basin. In 2019, we assisted over 6,100 individuals with our services.

A Sponsorship Opportunity:

Our support system would not be possible without the generous support of our donors and we would be honored to have you be a part of Keys For Hope to help us continue to provide services to West Texans.

We hope we can count on you to help fight against cancer by supporting those who battle everyday.

2006 W. Tennessee Ave | Midland, TX 79701
